Right from the first you could have been mine  
But I fooled around and took too much time  
Even though I knew that I had so much to say  
My voice wouldn't say it, so you walked away

CHORUS:

I wanted to tell you I love you  
I just couldn't do it somehow  
I wanted to tell you I love you  
But it's too late, yes, it's too late now

I should've said the feelin's I had  
Then I could stop from hurtin' so bad  
Now I see you've found yourself a brand new romance  
And you'll never know how bad I want one more chance

(Repeat chorus)
