### "Kill Your Boyfriend"

kill your boyfriend and go out with me  
I'll treat you better than him, just you wait and see  
I would walk 10,000 miles just for one night  
to see you smile, just for awhile, I know it would be  
alright

so tell me what I must do to help you change your mind  
I hope you tell me soon cause I'm a waiting landmine  
I'll buy you anything you want, I'll take you anywhere  
you please  
I'll even dedicate this song to you as long as you go out  
with me

kill your boyfriend and go out with me  
I'll treat you better than him, just you wait and see  
just you wait and see
