Ain't no maybe, no use foolin' 'round  
Girl, I'm tellin' you true  
When you tease me and then you please me  
Well, I just love the way you do,do,do

When we're walking, can't help feelin' fine  
Brushing up next to you  
I start tremblin' and disassemblin'  
'cause I just love the way you do,do,do

Ain't no girl next to you  
Makes me feel so fine  
When you do, what you do  
Then I know you're mine

Hey, hey, hey, what I say  
Oh yeah, the way you do  
Na, na, na , hey , hey, hey  
Love the way you do

I can't wait , girl,I been hangin' on  
Hoping i'm getting through  
You're so tough, I can't get enough, girl

I just love the way you do, do , do  
I just love the way you do, do, do  
I just love the way you, I just love the way  
I just love the way you do, do, do
