"Maybe It's You"

Have you ever made a wish
And had it come true
Have you ever lived a dream
Like dreamers do
Do you have a fav'rite day,
A lucky number noone knows,
A secret place to hide away
Where nobody else would go

CHORUS

Maybe it's you
Maybe it's you I'll always run to
I long to take you in my arms
But how can I be sure?
I'm so afraid you'll say no you're not
But I think you are

Do you ever go for walks
Right out in the rain
Have you ever had a thought
You can't explain
Do you have a special way
To make you laugh instead of frown
A song to sing that makes you smile
Whenever you're feeling down

(Repeat chorus)
