

The Defaced "October Ruins"

Visit "[October Ruins](#)" on MotoLyrics.com

You found your game emasculated, to the real you
Suprisingly fast you've changed, like a simple flip of
the coin
Fair, said fair, was the only thing you were, sorry but I
don't understand
I close my eyes incline my head, fearing every next
second

Bitter man
I still think it's you
Turned to a stone
Cast aside for dead

Options for me now lie free
Question, what am I suppose to do?
Can I tell right from wrong?
You see, I don't know where I belong
Fair, you said fair, what does that mean to you?
Well fuck that and the rest of your lies
Shame I feel for you, you are your deeds
Wasn't I worth more than this
