"Same Kinda Love"

Our folks don't understand
The way that we feel
But, girl, when we're holding hands
I know that it's real
Just because our age
They won't take us seriously

CHORUS:

But it's the same kind of love
That the grown - ups know
Yeah, the same kinda love
As in picture shows

With the same kind of stars
That you wish upon
It's the same kind of love
Yeah, the same kinda love
That goes on and on

Kids they see you and me
Together alot
They laugh to think we're in love
And tell us we're not
Guess it's only for us
To prove what we're feelin' is true

'Cause it's the same kind love...

(Repeat chorus)

We've got to hold our heads up
Hang on so tight
And everything will turn out right
