True reflections never fade
Cold expression will prevail
Call upon the ever-holy flame
I sense the shame
Face it
Reach for it
I die out here for awhile
Leaves me useless

Refinement as we know it
Is thrown away and stolen
As I turn my back to the stars
Seal my fate the last blow
Face it
Reach for it
Exceptions I will break them
My perfect shame

Mistaken and untold
Now I believe it

Your treason
Deceiver
It's time for me
To trust all my instincts and carry your blame

The siren seems so hollow
Leaves our faith deserted
And so I try
But I can't see what's going on
Face it
Reach for it
Creating mindscapes of my
My distant past

Mistaken and untold
Now I believe it

Your treason...

Call upon the unholy flame

As I can sense the shame
Now it's time for you to feel the same old
Resurrection game

Your treason...
