On the chest  
Uncle Pete is looking past his best  
But he dribbles better than the rest  
Here I go down the wing  
Everybody sing  
Eye on the ball, eye on the ball, eye on the  
2 - 1 is better than 1 - 0 at home  
And long live the pissheads that leave me alone  
Here?s the wall  
Freekick and I?m standing so tall  
To the left, to the left, STOP. A bit more?  
Here I go  
Everybody sing  
Eye on the ball, on the ball  
Eye on the own goal  
Well 4 - 1 is better than 1 - 0 at home  
And long live the pissheads that leave me alone  
Foul referee  
He?s hacking at my knee  
Down in the box  
Point to the spot ? Whey!  
Back of the net  
It?s going in the back of the net  
Eye on the ball  
Eye on the Bollocks  
8 - 1 is better than 1 - 0 at home  
And long live the pissheads that leave me alone  
10 - 1 is better than 1 - 0 at home  
And long live the pissheads that leave me alone
