Woke up this morning  
Sunlight shining in my eyes  
Woke up this morning  
And I cried  
Lord, I cried all night

Pillow was dripping, soaking wet  
From dreams of you, babe  
I'm trying hard to forget  
Aw, but what's the use  
I'm hooked on you

And I miss you, baby  
With all my heart and soul  
Oh, I, I miss you, baby  
(I miss you, baby)

And I need you too  
Uh huh, uh huh  
(I miss you, baby)

Day in, day out  
I do nothing  
But miss her in my life  
Trying to find a replacement  
For the love you could only provide

What am I gonna do  
Who's gonna love me  
If you don't love me  
Like you say do  
Baby, why couldn't you be true

Cause I miss you, baby, uh huh  
Miss you, baby

You're breaking my heart  
You're tearing it apart  
What am I gonna do  
I need your loving  
And your kisses too, uh huh

Oh, yeah, yeah, yeah, yeah

Uh huh, I miss you, baby  
I miss you, baby  
Oh, I, oh, I miss you, baby

Yeah, what am I gonna do  
Yeah, I ain't got you  
You know I miss you, baby  
I miss you, baby  
I miss you, baby

You can see it all in my walk  
Yeah, you can tell by the way I talk  
I miss you, baby, yeah

No sense denying, yeah  
I miss you, baby  
I miss you, baby

I'll tell the whole wide world  
Yeah, I can't live without you  
Uh huh, I miss you, baby, yeah

No matter you're with tonight  
If you come back, I'll treat you right  
I said I miss you, baby, uh huh...
