Iâ€™m in a hole
Iâ€™m going down
This is the place
That I have found
And there is no
Noone around
There is no noise
No not a sound
This is it
Who is alive
Who wouldnâ€™t tell
Who wouldnâ€™t do
What I have done?
Is there a way?
There is no way
Iâ€™m getting up
Iâ€™m getting up
This is it
There is no noise
There is no sound
There is no noiseâ€¦
Yeah yeah this is it (Iâ€™m going down)
There is no way (Iâ€™m going down)
Iâ€™m doing time (Iâ€™m going down)
And Iâ€™m feeling fine
Iâ€™m feeling
This is it
