And I found a new thrill...
And I found a new...
Bop, bop, baby, don't stop

Woah, I found a me a new thrill
I never found before
Oh, my now, I found me a new thrill
I never found before
When I show you, baby
It's gonna thrill me more

Gonna thrill me when you
Rock me, baby, once
Rock me, baby, twice
Rock me, baby, rock me
Til you melt away the ice

Do the cool shake
You do the cool shake
When I holler bop, bop
Baby, don't stop, you know
I mean the cool shake

Cool shake
Cool, cool, cool
Cool shake
Cool shake
Cool, cool, cool
Cool shake

When I holler bop, bop
Baby, don't stop, you know
I mean the cool shake

Cool shake
Cool, cool, cool
Cool shake
Cool shake
Cool, cool, cool
Cool shake

Bop, bop, baby, don't stop

Well, you like-a me
I like-a you
When we get together
Then we ooby ooby doo

We do the cool shake
We do the cool shake
When I holler bop, bop
Baby, don't stop, you know
I mean the cool shake

And I found a new...
And I found a new...
Bop, bop, baby, don't stop
