The scene is set for dreaming
Love's knocking at my door
But, oh, my heart
I'm reluctant to start
For we've been fooled before

The night is like a lovely tune
Beware, my foolish heart
How white the ever constant moon
Take care, my foolish heart

There's a line between
Love and fascination
That's hard to see
On an evening such as this

For they both give
The very same sensation
When you're lost in
The magic of a kiss
Magic of kiss

Your lips are much too close to mine
Beware, my foolish heart
But should, should
Our eager lips combine
Then let the fire start

But this time it isn't fascination
Or a dream that will fade
And fall apart

It's love
This time it's love
My foolish heart

This time it's love
My foolish heart
