Never been kissed, never been kissed
And no law can govern her

Never been kissed, never been kissed
And no law can govern her

Eighteen years of handstands
Nineteen sixty eight

Never been kissed, never been kissed
And no law can govern her

At twenty five past six
They finally found a use for her
Never been kissed, never been kissed
And the whole crew to welcome her

Never been kissed, never been kissed
And no law can govern her

Never been kissed, never been kissed
Never been kissed, never been kissed
Never been kissed, never been kissed
And no law can govern her
