Hippies, hippies everywhere
And not a drop to drink
The bastards got a mini bar

You'll go far
Exciting whistle-ah, woo-woo

Neighbors, neighbors everywhere
They're coming through the walls
They're semi-erect to my dialect

You'll go far
Exciting whistle-ah
Exciting whistle-ah
Exciting whistle-ah, woo-woo

Devils, devils everywhere
And not a gun in site
They said they came from Canada
You'll go far
Exciting whistle-ah, woo-woo

Hippies, hippies everywhere
And not a bloody chance
A decent seven in this place

You'll go far
Exciting whistle-ah
Exciting whistle-ah

Exciting whistle-ah
Exciting whistle-ah
Exciting whistle-ah
Exciting whistle-ah
