"No New Wave No Fun"

Visit "[No New Wave No Fun](#)" on MotoLyrics.com

If there's no new wave then there's no fun
Here we go here we go mungo got a radio
If it's out of reach then it can't be wrong
Here we go here we go mungo got a radio

Try and find a better way there is no other better way

If it turns you on, you should wash your hands
Here we go here we go mungo got a radio
If there's no new wave then there's no fun
Here we go here we go mungo got a radio
Try and find a better way there is no other better way

No new wave no fun
