Fire in the ice-age.  
Snogs in the moonlight.  
She's got a new stage.  
To go with her stage fright.

Being getting letters then they stopped.  
She come in pieces she come in.

Force gales.  
On skis.  
With child.  
For me.

Being getting letters then they stopped.  
She come in pieces she come in.

Styles.  
Cod-lies.  
She got burned.  
For miles and miles and miles.

Being getting letters then they stopped.  
She come in pieces she come in pieces.
