Liberals on skates.
Pass through park gates.
Zeroes and threes.
Stick together.

Save me altavista they've got cauliflower ears.
Still I haven't seen the sun or moon for twenty-seven
years.
She wants to dance on burning bridges.
Making patterns in the snow.
I want to move to Mexico where everyone's a hero.

goddamnit 'cos everyone's a hero
praise allah 'cos everyone's a hero
hail buddha 'cos everyone's a hero
wash daily 'cos everyone

(repeat from the beginning)

fuck you! 'cos everyone's a hero
fuck you! 'cos everyone's a hero
fuck you! 'cos everyone's a hero!!!!!!!!!!!!!!!!!!!!
