Whooo... Hey... Oh, Yeh...  
Hey now... Look you guys,  
I'm puttin' down so you better pick it up  
And Remember always...  
Into each heart some tears must fall  
Though you love and lose you must stand tall  
Cause we all got to cry sometime  
I say, sigh sometime, pull yourself together

No use in cryin' boy because  
There's too many fish in the sea, too many fish in the  
sea  
There's, short ones, tall ones, fine ones, kind ones

Hey, My momma once told me something, and every  
word was true  
Don't waste your time on girl who doesn't love you  
She'll only mislead you only feed...

Don't worry about it (something here...) cause  
There's too many fish in the sea, too many fish in the  
sea  
There's, short ones, tall ones, fine ones, kind ones  
Too many fish in the sea

Cmon' little fish  
Three little fishes in another fishy too in a little bitty  
pool  
Swim to the bottom and they swim to the top

If a fish is on your mind, pick her up and keep on trying  
Don't let her get you down  
There's other girls around

There's too many fish in the sea, too many fish in the  
sea  
Short ones, tall ones, fine ones, kind ones  
Too many fish in the sea

Alright... I'm gonna call all the little fishes to cmon and  
listen

Cat fish, blue fish, shell fish, crawfish, soul fish,  
halibut, tuna fist,  
Swordfish, eel...

(Fade out)
