They're the Pigs with the guns  
They watch us steal; they watch us run  
'Cause they can kill us  
And they'll be free in a couple of days  
We're the ns; Kill us fast  
We're dying to shoot some white man's ass  
'Cause they can kill us  
And they'll be free in a couple of days  
You know, man, it's an old fuckin' story  
But that don't make it right  
Aw, fuck it, I'm used to it  
War is near; that's no lie  
But I'll be here when a RED flag flies  
Revolution is in the air  
The Pigs are wild; they're runnin' scared  
'Cause they can kill us  
And we'll be back in a couple of days  
'Cause they can kill us  
And we'll be back in a couple of days  
Man, it's an old, old fuckin' story  
We're the niggers with the guns  
We shoot the Pig as he runs  
'Cause they can kill us  
And we'll be back in a couple of days
