Hey, mothers cryin' in the street  
Because their children can't get enough to eat  
Hey, daddy, tell me what you say  
You send your kid to die and then you pray

Hey, people, see it's what they want  
And it's what they need  
Hey, people know; you send your kid to El Salvador  
(This ain't television;  
This ain't high school)

Hey, mother, tell me what you say  
You send your kids off to war and then fade away  
Hey, daddy, tell me what you know  
You send your kids off to war and they don't come  
home  
Hey, people see it's what you want  
And it's what you need  
Hey, people know; it's what they say  
It's "NO WAR, NO MORE"  
(This ain't television,  
This ain't college now, students,  
This is the Real Life,  
The Real Life! )
