Is she really my girl (girl fade out)
Common c note let em know

She got the body of a dancer
She got the minds of a queen that blow ya mind
everywhere that I go everybody wanna know
is she really my girl (is she really my girl)
She got the body of a dancer
She got the minds of a queen that blow ya mind
everywhere that I go everybody wanna know
is she really my girl (is she really my girl)

Let me take u there
Yeah, yeah
I gotta girl that's so delicious
eyes and the hips and the way she twist it
in the club she get buck wild
she the one with the freaky style and you know that she
love a spankin
bend over and grab your ankles
gotta give to me like fire
all hot like an amplifier

let the king of the 602 show you little momma
how the south-west do from the clubs to turntables
to the girls that dance on tables face down thick side
up
this is the way that she show me love
I'm addicted I can't stop damn girl you're so hot

She got the body of a dancer
She got the minds of a queen that blow ya mind
everywhere that I go everybody wanna know
is she really my girl (if she really my girl)
She got the body of a dancer
She got the minds of a queen that blow ya mind

everywhere that I go everybody wanna know
is she really my girl (that she really my girl)

Is she really my girl yeah we be together
anytime I call her I can see her whenever
nice nice beautiful breast get her on the bed
she do it the best she don't strip or dance at clubs
but I ain't tryin to see them panties up
pull em down take em off girl you'll never make em
soft

I'm hard as *** ain't hard to tell everytime
I see ya I start to swell coppefiel everybody's
real make ol man wanna pop a pill young players
they bust em quick you know u wanna fuck man she's
so so so thick

She got the body of a dancer
She got the minds of a queen that blow ya mind
and everywhere that I go everybody wanna know
is she really my girl (if she really my girl)
She got the body of a dancer
She got the minds of a queen that blow ya mind
and everywhere that I go everybody wanna know
is she really my girl (is she really my girl)
