todo mi amor,toda mi vida  
baby i told you i'd do anything,you are my world you  
are my queen  
there is no-one in this world that ever gave me such a  
feeling of love and affection. I was at a point in my life  
of just forgetting love, until the day you touched me  
you showed me how to love again.  
There is no-one in this world that ever gave me such a  
feeling of love and affection. I was at a point in my life  
of just forgetting love, until the day you touched me  
you showed me how to love again.

el dinero, pretenden que te quieren y en relaciones  
simplre acen lo que quiero. Pero al conocerte cambio  
mi suerte, es como un golpe aqi en mi pecho que pego  
muy fuerte.  
Eres mi sol eres mi alegria. porieso todo los dias te
