CHECK IT OUT
(Verse1)

I think I met about a million girls before I saw your face.
And now I know I never ever be the same.

Must be your smile,
maybe eyes and lips
maybe all just wrapped up into one
Cause girl you got me breathing fast and thinking slow
making plans to never let you go
and if we make a promise,
girl I never lie
be together till we 95
maybe you never had a man that understands, the
things to make you happy---girl
But I can be the one to change it all cause see to me
you just so beautiful
So when you ready for somebody
who can really
love you right
give me a call, and I can be the one to love you girl until
the morning light.

(CHORUS)

Will you be my princess? Can I love you lady?
Pretty eyes you always drive me crazy.
Will you be my princess? Can I love you lady?
Pretty eyes you always drive me crazy.

(Verse 2)

You drove me crazy from the 1st kiss to the first touch
to the 1st time that we made some love
and now im giving you my heart
my days and nights
Like music girl you changed my life
Whenever whatever you need you can count on me
just sprinkle me with all your ecstasy

Eres princesa de los cielos y por eso yo te quiero
I know I'll never find another girl like you cause I aint
lookin
Baby im tooken you dig?
Play this once again, show it to your friends tell em you
and me
we riding till the end
Cause you my girl, keeper of my world on top of this
the most
beautiful
My heart and soul and all my kisses
for you, My princess.
(CHORUS)
Will you be my princess? Can I love you lady?
Pretty eyes You always drive me crazy
Will you be my princess? Can I love you lady?
Pretty eyes You always drive me crazy
