[chorus]

My heart belongs to tenderoni
(she is ma only love)
She's ma only love
(my tendoreni)
My heart belongs to tenderoni
(she is ma only love)
Shes ma only love

Co' on baby

When i sit back
And close ma eyes
When i got u sitting by side
When i feel that sexy body
Rubbing up all over mine.
That is when i know
I got a tendoreli
More then a homie
When the lights go down
You are all up on me. damn...
Now i gotta show u mamma
Toching places u wannna
So hot like Arizona
In wada California
Cause you are ma tendoreni
That i been tryin'to find
Tell me your fanacys
And all your secrets on ur mind

Lets roll on a hotel suit
Londery and your preety feet
Look so good that i wanna eat
I think ur twisting me
And i know u love this place
So goo like birthday cake
Lets pu it down like Bobby Brown

And ma man Baby Face

[chorus]

Use to a time
When i skipped the game
Always got a girl fora different date
Its funny how life takes a sudden change
Cause then i all pimp up on ma brain
Got one girl that makes me hold all of the other girls
are at the front door
Was one to be grown
But i will sit back and drop slow
Got a lot of mooney u know that
So let me keep you like a polar cat
Get a gicci bag to match
And then get the shows to go with that
I love it when you walk down reprcenting
Jay sat suit to the fullest stand
