Chorus:

Toast to the party!
Toast, toast to the party!
Looking at these women
Why, why, are is he tripping down?
Is like you're pimping,
What a hell are you,?
The hood is up!
Yeah, Chino Brown!
And now let your drink...
Toast to the party!

Everybody ,your hands up high,
Pretty mamacita is looking so fine,
From L.A. to the,side,
Chicanos, Mexicanos, brown,
Don't believe what you hear on CNN,
Mentirosos, they hate Mexicans!
Why? Cause we're taking over,
Fifty millions and we're still growing!
Every day we multiply,
Be careful, they want us to stay drunk and high!
I toast to the part but I don't give in,
Until I die or Latinos will.
Everything that I spit,
Puro corazÃ³n, two flags on stage everywhere I go.
MC MAGIC, Magic singing para siempre for life.

Chorus:

Toast to the party!
Toast, toast to the party!
One, two, this one's for you,
Salud!
Three, four, let's go!

Judging los que andaban ausentes,
Chino Brown and Mc Magic, aquÃ­ presents,
Y que empiece la ambiente,
Mc para toda mi gente!
No me importa el color,
Ni de donde son,

Este, apenas estái empezando,
Mira qué bonito lo,
A mí me gusta ella,
Esta y aquella!
Pero me quedo contigo,
Yo soy tu bandido.
Mírame a los ojos, dame un abrazo!
Y levanta tu brazo, y gritemos salud,
Estos mexicanos,

Looking at these women
Why, why is he tripping down?
Is like you're pimping,
What a hell are you,?
The hood is up!
If you just came here to party,
,drink up,
Let's get, get, get this to the party!

Chorus:
Toast to the party!
Toast, toast to the party!
One, two, this one's for you,
Salud!
Three, four, let's go!
Put your hands up!
Put 'em up, put 'em up!

Thanks to Iulia
