Intro:

It's Mc Magic. Magic City Part 2. You stole my heart girl.  
Come'on

I just wanna let you know, there's nobody in this world,  
that could every take your place.Baby (2x)

Chorus:

Quiero darte todo mi amor, me robastes el corazin. Voy  
a estar contigo hasta el final. Baby, I just wanna let you  
know, there's nobody in this world, that could ever take  
your place. Yeah, yeah, girl.

Verse 1:

I'm trying to love you but you just won't let me.  
I wanna touch every inch of your body slow and sexy.  
Conversation, love jams or whatever.  
Tell me what you hide in the corners of your mind.  
Turn off your world girl, and we could live inside a  
dream.  
Like a movie of the sexiest things you've ever seen.  
Don't mean to cross the line, or even think I disrespect.  
But I'm burning with a passion, my mind is in a reck.  
And when you look into my eyes its like a magnet  
pulling me, convincing me, girl I gotta have it.  
Mabe you don't even notice me.  
But then you smile and once again you're taking over  
me.  
Que tu quieres que te diga?  
Mas intenso cada dia, no puedo recistir la fantasia.  
Its like my veins are full of fire,can't stop it.  
You got the key to all my dreams so please unlock it.

Chorus:

Quiero darte todo mi amor, me robastes el corazin. Voy  
a estar contigo hasta el final. Baby, I just wanna let you  
know, there's nobody in this world, that could ever take  
your place. Yeah, yeah, com'on.

Verse 2:

I know you probably think that I could never be that  
person.

Got my mind all tangled up and I'm at the point of  
curssing.  
Something I think I should forget this whole desire, that  
you was meant for someone else, but I know I'm lieing.  
I tell myself I can't run from the truth  
And this would beat the moments I'm standing close to  
you.  
This is like a game and I was meant to be the winner.  
Losing's not an option, I can feel it when I'm with her.  
But then she says that mabe we can just be friends  
But we've been through a lot together.this could ruin  
everything.  
I'm saying mama please open up your eyes, open up  
your mind, it's plain to see that you was meant to be  
with me.  
Quiero darte todo, todo mi amor.  
Me estas matando y destrosando cuando dices que no.  
Girl, give me tonight and I promise that I'll change your  
mind,  
Until you begging me to love you girl like every night.

Chorus:

Quiero darte todo mi amor, me robastes el corazin. Voy  
a estar contigo hasta el final. Baby, I just wanna let you  
know, there's nobody in this world, that could ever take  
your place.

I try to tell you little mama that I need you.  
I try to show you little mama that I want you.  
you stole my heart girl.
