Underground where the fingertips call her name  
Trapped in silence waiting on the shallow plain  
Iâ€™m searching with my hands & bones  
Beneath the snow, thereâ€™s something down below

I see her face beneath the snow  
So Iâ€™ll keep reaching in  
I know thereâ€™s something down below  
So Iâ€™ll keep reaching in

How was I supposed to know?  
I couldnâ€™t read the words  
On your silent tongue

Down the stairway of her open heart  
Closer now to where she once belong  
She takes me with an open hand  
I feel her trying to get out

I see her face beneath the snow  
So Iâ€™ll keep reaching in  
I know thereâ€™s something down below  
So Iâ€™ll keep reaching in

How was I supposed to know?  
I couldnâ€™t read the words  
On your silent tongue

Oh, how was I supposed to know?  
I couldnâ€™t read the words  
On your silent tongue

Underground where the fingertips call her name  
Trapped in silence waiting on the shallow plain  
Iâ€™m searching with my hands & bones  
Beneath the snow, thereâ€™s something down below

I see her face beneath the snow  
So Iâ€™ll keep reaching in  
I know thereâ€™s something down below  
So Iâ€™ll keep reaching in  
I know thereâ€™s something down below

So Iâ€™ll keep reaching in  
I know thereâ€™s something down below  
So Iâ€™ll keep reaching in

So Iâ€™ll keep reaching in

So Iâ€™ll keep reaching in
