Girl this wicked spell you're under  
Kind of makes me wonder  
If I got you suicidal now

Every time you kiss me  
Know that you will miss me  
Guess I got you suicidal  
You can call it love  
When I'm not there  
You can call it hate  
But I don't care  
I'm sorry baby I'm just that kind of guy

Waiting for a happy ending  
No I'm not pretending  
Listen, what I say is vital  
Every time you touch me  
Know that you can't trust me  
Get it in your head, it's final

You can call it love  
When I'm not there  
You can call it hate  
But I don't  
Care anymore  
Not like before

Hypnotize me  
Mesmerize me  
But then you'll have to go

When you're smiling  
When you're crying  
I don't want to know  
I'm sorry baby I'm just that kind of...

You call it love  
You call it hate  
I call it suicide

Hypnotize me  
Mesmerize me

But then you'll have to go

When you're crying

When you're smiling

I don't want to know

I'm sorry baby I'm just that kind of guy
