Music and Lyrics by  
THE DIVINE MADNESS with Eduardo Olguin  
Â© 2006 MAZZECANRIDE MUSIC ASCAP

All the times you rolled around  
All the things you tried to sell  
All the times you tried to tell me its understood

And now things have changed  
It's all so strange  
You tell me I'll be yours forever

Should I stay or should I go  
The more things change they stay the same  
You want me now why even try  
The thing you do it makes me cry

You tell me that you want me  
You tell me that you need me  
You tell me you can't live without me  
Sometimes when I need you  
You're never there

Are you looking for a way  
To make your lonely get away  
So I will tell what an honor it was to live for you  
Well now things have changed  
Your lips taste so strange  
Still you tell me I am yours forever  
The more things change you stay the same

Stop and listen  
You're in a sorry condition  
Your strategic acquisition  
of my psychological disposition
