I'm, I'm your only ally
And I'm the one who understands
I'll be your alibi
Because once you take the first step
The rest comes easy

Precious
We're meant to be
Precious
We're meant to be

I'm, I'm your saving grace
I could make you beautiful
Take a sip
Want a tip

I'm in the mood
Imagine me finding you
Your knowing eyes behind a disguise
Fascinate curiosity
How could you be without me?

Precious
We're meant to be
Precious

We're meant to be
Can't you see?
Can't you see?

Imagine me finding you
Your knowing lies
Fascinate my curiosity
Imagine me finding you
Your knowing lies behind a disguise

Fascinate my curiosity
Precious, Precious

Precious

My love we're meant to be
Once you take the first step
The rest is easy
So easy, easy my precious
Oh wait and you'll see
