Lions in the street and roaming
Dogs in heat, rabid, foaming
A beast caged in the heart of a city
The body of his mother
Rotting in the summer ground
He fled the town

He went down South and crossed the border
Left chaos and disorder
Back there over his shoulder

One morning he awoke in a green hotel
With a strange creature groaning beside him
Sweat oozed from its shining skin
Is everybody in? Is everybody in?
Is everybody in?
The ceremony is about to begin

Wake up!
You can't remember where it was
Had this dream stopped?

The snake was pale gold, glazed and shrunken
We were afraid to touch it
The sheets were hot dead prisms
And she was beside me
Old, she's no, young
Her dark red hair, the white soft skin

Now, run to the mirror in the bathroom
Look! she's coming in here
I can't live through each slow century of her moving
I let my cheek slide down, the cool smooth tile
Feel the good cold stinging blood
The smooth hissing snakes of rain

Once I had a little game
I liked to crawl back in my brain
I think you know, the game I mean
I mean the game, called, 'Go insane'

You should try this little game

Just close your eyes forget your name
Forget the world, forget the people
And we'll erect, a different steeple

This little game is fun to do
Just close your eyes, no way to lose
And I'm right there, I'm going too
Release control, we're breaking through

Way back deep into the brain
Back where there's never any pain
And the rain falls gently on the town
And over the heads of all of us
And in the labyrinth of streams

Beneath, the quiet unearthly presence of
Gentle hill dwellers, in the gentle hills around
Reptiles abounding
Fossils, caves, cool air heights

Each house repeats a mold, windows rolled
Beast car locked in against morning
All now sleeping
Rugs silent, mirrors vacant

Dust Lying under the beds of lawful couples
Wound in sheets
And daughters, smug
With semen eyes in their nipples

Wait
There's been a slaughter here

Don't stop to speak or look around
Your gloves and fan are on the ground
We're getting out of town, we're going on the run
And you're the one I want to come

Not to touch the earth
Not to see the sun
Nothing left to do, but
Run, run, run
Let's run, let's run

House upon the hill, moon is lying still
Shadows of the trees
Witnessing the wild breeze
C'mon baby run with me
Let's run

Run with me

Run with me
Run with me
Let's run

The mansion is warm at the top of the hill
Rich are the rooms and the comforts there
Red are the arms of luxuriant chairs
And you won't know a thing till you get inside

Dead President's corpse in the driver's car
The engine runs on glue and tar
C'mon along, we're not going very far
To the East to meet the Czar

Run with me
Run with me
Run with me
Let's run

Some outlaws lived by the side of the lake
The minister's daughter's in love with the snake
Who lives in a well by the side of the road
Wake up, girl! We're almost home

We should see the gates by mornin'
We should be inside by evening

Sun, sun, sun
Burn, burn, burn
Burn, burn, burn
I will get you
Soon, soon, soon

I am the lizard king
I can do anything

We came down
The rivers and highways
We came down from
Forests and falls

We came down from
Carson and Springfield
We came down from
Phoenix enthralled
And I can tell you

The names of the Kingdom
I can tell you
The things that you know
Listening for a fistful of silence

Climbing valleys into the shade

For seven years, I dwelt
In the loose palace of exile
Playing strange games with the girls of the island
Now, I have come again
To the land of the fair and the strong and the wise
Brothers and sisters of the pale forest

Children of night
Who among you will run with the hunt?
Now night arrives with her purple legion
Retire now to your tents and to your dreams
Tomorrow we enter the town of my birth
I want to be ready
