Get out of my life, woman  
You don't love me no more  
Get out of my life, woman  
You don't love me no more  
Get out of my life, woman  
You don't love me no more

Get out of my eyes teardrops  
I gotta see my way around  
Get out of my eyes teardrops  
I gotta see my way around  
Get out of my life heartache  
I got heartaches by the pound  
(These days)

Walk on, walk on  
Walk on, walk on  
Yeah, walk on

Get off my ladder, woman  
I gotta climb up to the top  
Get off my ladder, woman  
I gotta climb up to the top  
Get off my ladder, woman  
You know that I can't stop

I can't stop  
I can't stop  
I can't stop  
I can't stop

Get out of my life, woman  
I gotta be moving on  
Get out of my life, woman  
I gotta be moving on  
Get out of my life, woman  
It's so long

Bye, bye, bye, bye  
So long  
Bye, bye, bye, bye  
So long

Little darlin' goodbye  
So long, so long

Twenty long years  
Little darlin'  
That I spent with you  
Twenty long years  
That we shared a home  
Twenty long years  
Little darlin'  
Now  
I'm black and blue  
Twenty long years  
Now  
I'm back on my own

Bye, bye  
So long  
Bye, bye  
So long
