I can't see your face in my mind  
I can't see your face in my mind

Carnival dogs, consume the lines  
Can't see your face in my mind

Don't you cry, baby, please don't cry  
And don't look at me with your eyes

I can't seem to find the right lie  
I can't seem to find the right lie

Insanity's horse adorns the sky  
Can't seem to find the right lie

Carnival dogs, consume the lines  
Can't see your face in my mind

Don't you cry, baby, please don't cry  
I won't need your picture until we say goodbye
