She was a princess, Queen of the highway  
Sign on the road said, "Take us to Madre"  
No one could save her, save the blind tiger  
He was a monster, black dressed in leather  
She was a princess, Queen of the highway

Now they are wedded, she is a good girl  
Naked as children out in the meadow  
Naked as children, wild as can be  
Soon to have offspring, start it all over  
Start at all over

American boy, American girl  
Most beautiful people in the world  
Son of a frontier Indian swirl  
Dancing through the midnight whirl-pool  
Formless, hope it can  
Continue a little while longer
