In the corridor on a wall
Underneath the staircase in the hall
On a hook behind the door
In the closet, on the floor

In the cupboard on a shelf
In the basement in the dark
Oh, anywhere, see if there's
A place for me in your heart

Wanting you (wanting you)
Needing you (needing you)
Having you (having you)
Waiting for

The door to your heart
To swing open, to swing open
To swing open somewhere
I can come on in

Let me in

(Why don't you open the
Door to heart and let me in)

In the corridor on a wall
Underneath the staircase in the hall
On a hook behind the door
In the closet, on the floor

Hey, hey, hey, yeah

In the cupboard on a shelf
In the basement in the dark
Hey, anywhere, won't you see
If there's just one little
Place for me in your heart

Wanting you (wanting you)
Needing you (needing you)
Having you (having you)

Waiting for

The door to your heart
To swing open, to swing open
To swing open somewhere
I can come on in

Hey, hey, hey... baby, yeah...

Let me in, let me in
(Why don't you open the
Door to heart and let me in)
In your heart, yeah, baby, yeah

(Why don't you open the
Door to heart and let me in)
Let me in your heart, yeah...
