Like a star, slipping out of place  
Sliding from the sky, tumbling through space  
When you touch my hand,  
I swear I feel... like I'm falling  
(falling, falling, falling)  
Seems like I'm falling...  
(falling, falling, falling)

Like a wheel whirling, round and round,  
Rolling down a hill (rolling-down-a-hill),  
Spinning on the ground  
Your kisses make my dizzy  
In the head... and I'm falling,  
(falling, falling, falling)  
Falling...  
(falling, falling, falling)

Uh-oh girl,  
I think that I have fell for you  
Uh-oh girl,  
I think that I have fell for you

I was a bird soaring, through the air  
Flying fancy free, without a care  
Until you clipped my wings  
Now look at me... Oh, I'm falling  
(falling, falling, falling)  
Yeaaaah, falling  
(falling, falling, falling)

Oh here I go, down and down I go  
I can't help myself  
Girl you thrill me so  
Yeah you blew my mind  
And i know... that I'm falling  
(falling, falling, falling)  
Yes, I'm falling  
(falling, falling, falling)

Uh-oh girl,  
I think that I have fell for you

Uh-oh girl,  
I think that I have fell for you

Oh, down, down, down I go (falling)  
Oh, down, down, down I go (falling)  
Oh, down, down, down I go (falling)  
Yeah, yeah, yeaaaaah

Uh-oh girl,  
I think that I have fell for you  
(seems like, seems like)  
Uh-oh girl,  
I think that I have fell for you  
Uh-oh girl,  
I think that I have fell for you...
