Come on

Come along

Come on and get up, get down

(CHORUS)

(Get up) and get down

Get up out of your seat

(Get up) and get down

Get up and move your feet

(Come on and) rise, rise, rise

Shake your hips

(Get up) let me see you

(I wanna see you)

Let me see your tight wire come alive

(Get up) you ain't too old

(You ain't too hip) (get up)

I ain't asking for a cartwheel

(A somersault) or no flip

I just want you to

(CHORUS)

(Get up) now look at mama

(Look at mama)

She'll tear you up (get up)

To make sure you feel the cool

I get to turn the music up

(Get up) clap your hands

Stomp your feet (get up)

Keep in time with the music

Get on down with the beat

I just want you to

(CHORUS)

Come on

(CHORUS)

Come on and get down  
Get up and get down  
Come on, girl, oh, ooh

(CHORUS) 2X
