All you do is bring me pain, boy, you crazy, pain, pain
All you do is bring me pain, boy, you crazy, pain, pain
All you do is bring me pain, boy, you crazy, pain, pain
All you do is bring me pain, boy, you crazy, pain, pain

Boy, I thought that we'll last forever, I could see it in
your eyes
Threw my hand and lead me blindly, to believe in all
your lies
But now the truth is in the open and it's all on you
You leave me so heartbroken, can't you see that you're
killing me

All you do is bring me pain, boy, you crazy, pain, pain
(Crazy over you)
All you do is bring me pain, boy, you crazy, pain, pain
(Crazy)
All you do is bring me pain, boy, you crazy, pain, pain
(Baby, you drive me crazy)
All you do is bring me pain, boy, you crazy, pain, pain

You know I wish that you wouldn't lie to me
But some wishes don't come true
(Don't come true)
Time to put the past behind me, say, "Goodbye" and
start anew
Move on, be gone, it's over, ooh, now you're all alone
And I know that you wished that you were here with me

All you do is bring me pain, boy, you crazy, pain, pain
All you do is bring me pain, boy, you crazy, pain, pain
(Going, going out my mind)
All you do is bring me pain, boy, you crazy, pain, pain
(You bring me so much pain)
All you do is bring me pain, boy, you crazy, pain, pain
(I can't bare to be with you no more)

'Sup with you, you know it's not fair
You pay me no attention, when I'm standing right there
Baby it's all good and it's all right
You're gonna regret this for the rest of your life

'Cause I'm going on to, I'm about to blow up
When you see me on TV and know you messed up
So remember this song and remember my name
It's Ashley and Dream, have changed the game

All you do is bring me pain, boy, you crazy, pain, pain
All you do is bring me pain, boy, you crazy, pain, pain

All you do is bring me pain
(Said to give you my heart and you broke it, babe)
Boy, you crazy, pain, pain
(Because of you I'm going crazy)
All you do is bring me pain
(I just can't take it no more)
Boy, you crazy, pain, pain
(Turn around, walk out the door)

Ooh, ooh, ooh
(Pain, pain)
Ooh, ooh, ooh
(Pain, pain)
Ooh, ooh, ooh
(Pain, pain)
Ooh, ooh, ooh
(Boy, you crazy)
(Pain, pain)

Said to give you my heart and you broke it, babe
Because of you I'm going crazy
(Pain, pain)
I just can't take it no more
Turn around, walk out that door
(Pain, pain)

Said to give you my heart and you broke it, babe
Because of you I'm going crazy
(Pain, pain)
I just can't take it no more
Turn around, walk out that door
(Pain, pain)

Said to give you my heart and you broke it, babe
