Ohhh (oh ya) ya ya ya (oh ya)  
Your the best thing in my life (best thing)  
I never felt so good when you add a little right  
Lucky for me that you came along, just whispering a  
love song  
Then you captured me, and lady it was harmony  
(ohhhhh)  
Yes your music to my heart  
A sweet melody, a sweet melody you were heaven right  
from the start  
Don't ever take your love from me,  
Sweet ecstasy, baby what you do to me ee  
It brings magic I love you much to much to let you go (o  
o o)

I need you so dont ever let your love down  
I want to be your man Cause your the best thing in my  
life  
In my life the best thing in my life

Your the best thing in my life (you are)  
Our love was ment to be  
Cause you turn my hopes and dreams (into reality)  
Sweet ecstasy Baby what you do to me

Your magic  
And I love you much to much  
To let you go (o o o)

You know I need you so dont ever let your love down  
I want to be your man Cause your the best thing in my  
life  
In my life the best thing in my life In my life

The best thing in my life was the day was the day  
That I met you (whoooo)  
The best thing in my life was the day was the day  
That I met you (whooo)
