Colors fade  
Season's changing  
Nothing ever stays the same

Feel the cold  
the winter's calling  
nothing ever stays the same

You can run away  
But you cant hide  
Eventually it catches up to you

The secrets that we keep inside  
Everyone will know  
And it will all be okay  
Spread your wings and fly away

Shadow fades  
Growing older  
Nothing ever stays the same  
Separate  
From the mother  
Nothing ever stays the same

Should you run away?  
You can't decide  
Another way  
Now it's up to you

The secrets that you cannot hide  
Everyone will know  
And it will all be okay  
Trust me, beleive me  
It was always okay  
Spread your wings and fly away  
You're flying, flying, you're flying away

Colors fade  
Season's changing  
Nothing ever stays the same
