Hanging on a limb  
Feet off the ground  
Are you planning on falling or hanging around?  
Joking, as we stare at the oceans of endless  
possibilities  
The minute it's thrown away.

When there's nobody else.  
No need to prove that you would die for me.  
Would you?  
I will.

Standing on the edge, afraid to look down.  
Are you planning on flying away or hitting the ground?  
Choking on the words as we argue.  
Melt into infinity, the minute it's thrown away.  
When there's nobody else  
No need to prove that you would die for me.  
Die for me  
This'll get you through it anyway.  
You should have lied to me.  
I don't know how we got here,  
Do you?  
I'll let go if you will.  
Will you?  
After you, right after you and after you I will  
I do, do you?

When there's nobody else  
I don't know how we got here,  
Do you?  
I'll let go if you will.  
Will you?  
I don't know how we got here  
Do you?  
I'll let go if you will  
Will you?  
I will, I do.
