There's a man in a suit and he helps the rich get richer
With a knives point of view, he hides behind the picture
When he says what's untrue he backs it up with
scripture
It's a Lie
It's a Lie

There's a man on tv and it's clear to me he bought it
'cause with each new decree he falls in line to laud it
But he don't believe me, he can't be wrong he's
patriotic
It's a Lie
It's a Lie

Oh what a verbal conspiracy, every word of dissent is a
heresy
The little pigs have elected Pinocchio, and the wolf at
your door is the light inuendo

There's a man, with an act, like a digital magician
A thirty-two bit hack, a cherry tree's affliction
'Cause it's hard to buy facts from a walking
contradiction
It's a Lie
It's a Lie

It's a Lie
It's a Lie
