"A Little Love Can Go A Long, Long Way"

It takes a lot of sunshine
To make a summer day
But just a little love
Can go a long, long way

It takes a lot of rosebuds
Just to make a spring bouquet
But just a little love
Can go a long, long way

So incidentally
Treat love gently
When it comes in view
It could even happen to
A girl like you

It takes a lot
Of orange blossoms
For a wedding day
But just a little love
Can go a long, long way

It takes a lot
Of orange blossoms
For a wedding day
But just a little love
Can go a long, long
Long, long, long, long way
