Gone from my arms
Into the night
Taking your love
Leaving me all alone

Here in my heart
I long for you
Tell me you love me
Tell me you love me too

Though you are gone
I long for your touch
I love you so much

Gone from my dreams
Into the night
I hear you whisper
Darling, I love you so

Though you are gone
I long for your touch
I love you so much

Gone from my dreams
Into the night
I hear you whisper
Darling, I love you so

Darling, I love you so
