Do you know, have I told you
Can you see that you're mine
How my heart feels the longing
For your lips and love divine

Be my love, hold me tightly
And I'll trade my love for thine
Do you know, can you see here
That you're mine

Take my love, take my life dear
Won't you say that you're mine
Let me know that you love me
Let my arms and yours entwine

Be my love, hold me tightly
And I'll trade my love for thine
Do you know, can you see here
That you're mine

You're mine
For in my heart is love
That lingers there for all the years
And in my mind
The beauty of your face
Comes into view
But in my life I know that I must wait
To touch the hair and kiss the lips
That make my love divine
For then, and only then, will I say
That you're mine

Do you know, have I told you
Can you see that you're mine
How my heart feels the longing
For your lips and love divine

Be my love, hold me tightly
And I'll trade my love for thine
Do you know, can you see here
That you're mine
(That you're mine)
