Yeah, baby, you know  
That I mean what I say  
Say what I mean, what I mean

Baby, I'm in love with you  
I'll do anything for you  
Anything you want me to  
I'll do, I'll do, yeah

Yeah, baby, you know  
That I mean what I say  
Say what I mean, what I mean

Baby, I don't play around  
With any other girl in town  
Oh, never let you down  
Oh, no, baby, no

Sure I might leave you or  
Even deceive you, it's possible  
Lightning might strike me  
A cobra might bite me, it's possible

Yeah, baby, you know  
That I mean what I say  
Say what I mean, what I mean

Baby, it will always be  
Me for you and you for me  
Right on through eternity  
It will be, it will be

Yeah, baby, you know  
That I mean what I say  
Say what I mean, what I mean

Baby, it will always be  
Me for you and you for me  
Right on through eternity  
It will be, it will be

Baby, what I mean  
What I mean, yeah...
