I never went to college, it just wasn't me  
So I dropped out of high school  
Now I feel free  
Mommy went crazy and dad was just pissed  
But how can I care when I just don't care?

I know, I know  
I'm the black sheep of the family  
I know, I know  
I'm the black sheep of the family

So I talked to a friend and we started to jam  
Suddenly out of nowhere we started a band  
Some play for money but we play for kicks  
That's when I found out of what I'm supposed to be

I know, I know  
I'm the black sheep of the family  
I know, I know  
I'm the black sheep of the family

So I apologize to all of my family and friends  
For being such a loser, for being such a mess  
But I won't compromise all the chaos in my life  
So let's raise our glass and get fucked up tonight

If Hell will let you down  
Then call on me to lean on  
If Heaven falls apart  
Then put your trust in me now  
I'll be here

I know, I know  
I'm the black sheep of the family  
I know, I know  
I'm the black sheep of the family

I know you've heard it all before  
I just don't care no more  
You've heard it all before  
I just don't care no more

You've heard it all before  
I just don't care no more  
You've heard it all before  
I just don't care

I'm just me
