I hate the way that you smell
I hate the look in your eyes
Your selfregret and all of your lies
There was so much hope, but everything fell apart
You're sorry for never being there for me

But I won't feel sad forever
Just need some time on my own
Yesterday will fade, tomorrow
I need some time on my own
I'm sorry
But I won't feel sad forever more

Forgiveness is a state of mind
Still I'm ready to receive
The blows I took, the price I paid
For all you wanted me to be
But you're sorry for never being there for me

But I won't feel sad forever
Just need some time on my own
Yesterday will fade, tomorrow
I need some time on my own
I'm sorry
But I won't feel sad forever
Just need some time on my own
Yesterday will fade, tomorrow
I need some time on my own
I'm sorry
But I won't feel sad forever more

I need some time
I need some time

No, I won't feel sad forever
Just need some time on my own
Yesterday will fade, tomorrow
I need some time on my own
I'm sorry
But I won't feel sad forever more

Dad, I'm sorry
