Kind of unsure
She pushes herself in the street
She rolls by me
And our eyes meet
Its love at first site
Ill be with her tonite

Shes the girl for me
Through boston on the T
Shes a skateboard chick
I can't do an ollie or a kick
But that's why she doesnt't care

Since we met
We've never been
In love
Shes been skateboarding
Through my heart
Shell never go for a guy like me
Shes with ???

Shes the girl for me
Into boston on the T
Shes a skateboard chick
I can't do an ollie or a kick
But that's why she doesnt't care

She's my, my skateboard love
She's my, my skateboard love

But she doesnt't care, no she doesnt't care
