"Dreaming all of You"

We're dreamng all of you
We are one in two
We're dreaming all of you
We are one in two
Now when we toss and turn
And you leave me here to burn
The fire within
What we feel this is true
So we're bound like one in two
We're dreaming all of you
What else can we do
We're dreaming all of you
All that remains, is to see beyond
A lifetime
We are one in two
We are one in two
We are one in two
Embraced by such a glow
Hardbark of energy, of astral lights
It lifts me up
After such a search I am

Proud to be touched by you

Proud to be addicted possessed

If this is sin then I am within

If this is sin then I am within
